

Automation Centre

Congratulations and welcome to IIT (ISM), Dhanbad,

Information sheet for Newly joined Employee (Non Faculty)

The URL of Intranet Software **<https://mis.iitism.ac.in>**

Your Employee Number is your username and password, please change your password after first login. If you are unable to login, please send your emp no to adean_automation@iitism.ac.in must mention your employee no. This is your entry point in our intranet software popularly known as MIS (Management Information System)

1. You are requested to check your personal details soon after login to MIS. The link to check is given at left side Menu bar under Employee Menu → Employee-Details → View Details or by clicking on direct link <https://mis.iitism.ac.in/index.php/employee/view/menu/emp>
2. In case any information is wrong or missing, please contact AR (Estt) ar_estt@iitism.ac.in for necessary rectification. Any personal data on MIS can only be changed/edited/added by AR (Establishment) except a few information which you can edit thru MIS. (For this, please click on the Employee Menu → Employee-Details → Edit)

What you can do with MIS?

1. You will get One Important Menu
 - a. Employee
 - i. You can apply for leave.
 - ii. You can file some general purpose complaints.
 - iii. You can book IIT (ISM) vehicle, SAH etc on payment basis
 - iv. You can download your pay slips.
